

Knock Out Competition Draws

The draws for the Singles, Sydney James Foursomes & the P W O'Shea Mixed Foursomes were all made on Saturday evening and are now on the notice board in the clubhouse.

Please note that whilst originally all preliminary round matches were to be completed by 30 March, I have now moved this back by one week to 7 April so that you have the chance to play after the clocks move forward.

Can I also remind you that entry fees need to have been paid before you play your matches (and with annual renewal fees plus AGM preparation looming it would help me & Sarah if you could pay sooner rather than later!).
